

HOW TO GET CREDIT FOR EVERY BHRS RACE YOU COMPLETE!

YOUR NAME - When You Register

Whatever First Name & Last Name you use to register as a BHRS PassHolder must be the exact same First Name and Last Name you use when you register for EACH BHRS race that season.

FOR EXAMPLE... THESE ARE NOT MATCHES:

- "Dave Mathews" vs. "David Mathews"
- "Wilma Flinstone" vs. "Willma Flinstone"
- "Simon Bond" vs. "Simon Le Bond"
- "Sami Davis" vs. "Sami Davis Jr" vs. "Sami Davis Jr."

If your name is not an exact character and spacing match (like a password), your *Race Results Name* will not match your *BHRS PassHolder name* & **you will not get credit for completing the BHRS race on your BHRS ScoreCard.**

DAY OF RACE - Paper Race Results

As soon as you complete your race, make sure your race results are correct by visiting the results board. BEFORE you leave each BHRS race, document your correct results (snap a picture) at the race.

ARE THESE ITEMS CORRECT?

- First AND Last Name EXACTLY match BHRS PassHolder name
- Gender
- Age Division
- Bib #
- Race Distance
- Time

PROBLEMS WITH RESULTS - At The Race

Immediately visit the Timer Tent to have your race result error(s) documented on the BHRS form. Then, wait to confirm that any corrections you requested have been made by the Timer and posted on the paper results board. Document the corrections (snap a picture) at the race.

AFTER THE RACE - Online Race Results

Once the Official Race Results are posted online, immediately check your results again. Glitches happen and if you see a problem, you only have a small window of time to ensure you get the proper credit for the BHRS race. Send your photo proof (picture snapped at the race) of your paper results to both the Timer and Race Director for immediate correction. A few days later, the race's Timer will freeze the online "official race results" to no longer allow corrections and will send a copy to the BHRS Team to score. **If your results are not correct, you will not get the proper credit for completing the BHRS race on your BHRS Scorecard.**

BHRS SCORECARD

Within approx. two weeks after each race, your BHRS Scorecard will be updated using the final frozen results from the race's Timer to show your race credit, points and percentages. PassHolders must check their BHRS Scorecard after each race is scored to ensure all credits, points, and percentages are correct. **BHRS PassHolders with incorrect Official Race Results at this scoring phase will not be given credit and races will not be re-scored to include later corrected results. Requests for corrections must be received by the BHRS Team within 1-week of scoring. If all rules have been followed, the correction will be granted. After that time, no matter the reason, the BHRS Scorecard results will be frozen.**

PEACE AND LOVE

There will be NO EXCEPTIONS!

WHY WE CREATED THIS TIP SHEET

The BHRS Team wants you to have fun competing in the Big Hammock Race Series! Our goal is to inspire you to keep your body moving, reach new goals and make moving fun! We have a responsibility to ensure the Big Hammock Race Series upholds the exact same rules of competition for every PassHolder. PassHolders are responsible for understanding those rules and taking ownership of their race results and BHRS Scorecard under the "Results" tab at BigHammockRaceSeries.com.

WHAT IS GROSS & NOT FUN

When we have to advise a PassHolder that they did not follow the rules and they will not get credit for completing a BHRS race. Yeah... we hate it and everyone feels pretty gross afterwards... so please help us to make your Season a blast by reading and following these BHRS rules because no matter how much we adore you, we will enforce them.

HOW TO EARN & REDEEM A WILD CARD

- 1) Register at VirtualStrides.com/RockStar4.
- 2) Complete the required 5k distance.
- 3) Go to VirtualStrides.com and select "Upload Results" under "My Account".
- 4) Login to your account & ensure "Do NOT display my results publicly" is NOT checked or **you will not get credit for completing the BHRS race on your BHRS Scorecard.**
- 5) Report your race results on your VirtualStrides.com account entering the EXACT name on "Bib Name" as your BHRS PassHolder account. If it is not correct and/or you registered multiple PassHolders under one account, simply select "edit" and correct the name(s) or **you won't get credit for completing this BHRS race on your BHRS Scorecard.**
- 6) The BHRS Team will periodically check this race's results and award 10pts. for Race #1 and an "earned" status under the "Wild Card" column on PassHolder Scorecards. Only then are PassHolders eligible to redeem their Wild Card.
- 7) Visit BigHammockRaceSeries.com/wild-card-redemption and pick the one award you want help earning. Redeem your Wild Card during that award's redemption window and select the required race you missed.

KNOW YOUR RESPONSIBILITIES!

EMAIL

Only use an email that you check regularly. Email and social media are the only way we communicate information to our PassHolders about price increases, deadlines, tips, exclusive offers, Run Clinics and race data that has changed. If you are not getting our emails, let us know. If you are living on the edge and not reading our emails or checking social media... **#WeTried**

RACE NO-NOS

If you do not run with a bib because your turtle ate it, you forgot it, arrived after race registration &/or packet pick up closed and couldn't get it, were late and the race has already started, or don't wear the correct bib... **you will not get credit for completing the BHRS race on your BHRS Scorecard.**

RACE DETAILS

The BHRS Team does not own or operate any race that we invite each season. Sometimes, a race must make time or venue changes. Always confirm race details such as location, packet pickup, registration, and critical deadlines provided on the race's emails, website, & social media before each race. **Find race info & Race Director contact data at BigHammockRaceSeries.com under "Race Line Up" under the "The Races" tab.**

WHAT IS A WILD CARD?

A Wild Card can be used to help PassHolders earn a Super, Lucky Charm Challenge, or Perfect 10 award by replacing any one required race that was missed.

A Wild Card credit helps you to reach the required total credits on your Scorecard needed to earn Challenge Awards. When redeemed, the same credit(s) that would have been earned by actually completing a race are added to your scorecard. **If a PassHolder has not missed any races, there's no need to redeem the Wild Card.**

A Wild Card can only be redeemed one time to replace one missed race each season. If a PassHolder selects the wrong race on the Wild Card Redemption Form, the wrong challenge award, or simply changes their mind **the BHRS Team will not make a correction. Treat this prize and the redemption form process carefully. When you press SUBMIT, it's permanent ink!**
