It's Time To Celebrate... safely!

CONGRATULATIONS! Season 4 is a wrap! The Big Hammock Race Series team believes our greatest responsibility is to respect the health and well being of all event attendees and those they may impact in the community at large. It is with that abundant amount of caution that we have decided to modify our traditional Wrap Up Party to a simplified touch-less award pickup event. We are deeply disappointed not to be able to celebrate your accomplishment but your safety and well being are most important to us and our volunteers.

Here's what to expect:

Our goal is to promptly deliver the awards that you have worked so hard to earn in Season 4 in a carefully thought out plan to ensure the safety of all volunteers and attendees. Ultimately, what we value most is you! We want to assure those that choose to pickup their awards that we are committed to providing the safest environment possible while adhering to CDC guidelines... and then some! With that being said, our volunteers are committed to maintaining the safety plan we have devised. This drive up event is 1st-come-1st served. Our volunteers will move as quickly as possible to whisk you on your way. We strongly encourage those who are coming to wear a mask when arriving.
